

Digital Twin for every manufacturing SME!

Change2Twin is a European project which supports manufacturing SMEs in their digitalization process by providing Digital Twin solutions. The concept of Digital Twin is one of the big game-changers in manufacturing and allows companies to significantly increase their global competitiveness.

Innovation made by Change2Twin

- **Easy access to digital twin:** funding, guidance, testing, deployment
- **4 open calls:** Assessment and Deployment Vouchers to fund manufacturing SMEs
- **Change2Twin Marketplace:** a one stop shop for digital twinning solutions
- **4 experiments** with different manufacturers upfront
- **Change2Twin Community:** a virtual space for digital twinning enthusiasts

Get funded by

CHANGE2TWIN

The next Open Call is dedicated to **manufacturing SMEs** and mid-caps which already have an idea of a **digital twin solution** for their company and want to turn it into practice.

Change2Twin offers such companies **funding worth up to €90.000**. On top of funding, the winning projects will also get **technical mentorship** to support their digital twin experiments in each phase of their implementation.
