

## Digital twin for every manufacturing SME!

Change2Twin is a European project which supports manufacturing SMEs in their digitalisation process by providing Digital Twin solutions. The concept of digital twin is one of the big game-changers in manufacturing and allows companies to significantly increase their global competitiveness.

## Innovation made by Change2Twin

- **Easy access to digital twin:** funding, guidance, testing, deployment
- **4 open calls:** Assessment and Deployment Vouchers to fund manufacturing SMEs
- **Change2Twin Marketplace:** a one stop shop for digital twinning solutions
- **4 experiments** with different manufacturers
- **Change2Twin Community:** a virtual space for digital twinning enthusiasts

# Get funded by

# CHANGE2TWIN

**Assessment Voucher** is a financial instrument offered by Change2Twin to **manufacturing SMEs to improve their digitalization level and to deploy a digital twin**. It is a **non-refundable grant** provided on competitive basis and amounting up to **€10.000**.

The Assessment Voucher covers the costs of an in-depth analysis of the company's digitalization level and its **readiness for the adoption of a digital twin**. At the end the company receives **three recipes** for creating and deploying a digital twin. The assessment scheme is **carried out by certified Digital Innovation Hubs**.

## Assessment Voucher Open Call

**Apply from 30 June 2022!**

**Scan the code for more information!**
